HEADS UP.

HEADMASTER'S LETTER

My congratulations to each member of the graduating class of 1976. During your years at the Academy, you have witnessed and been a part of many changes in school policy and the curriculum. This past year you have participated in our reevaluation by the New England Association of Schools and Colleges. The Academy's continued accreditation and the final report by the Visiting Committee were influenced by your active participation and leadership. Quoting from the Visiting Committee's report:

> "Particularly significant is the interplay of support among trustees and faculty, and the vigor with which these groups pursue the purposes of the school. Inevitably, such dedication is recognized by the students, who in turn help to keep North Yarmouth Academy's objectives on a plane worthy of respect and striving."

As seniors you have led the way, and I thank you for your interest and dedication to the growth of the Academy. On behalf of the faculty and trustees, I extend best wishes for your success in college and in your future

Albert R. Smith II

North Yarmouth Academy Football — 1975

The 1975 North Yarmouth Academy football team began in a rather nebulous situation. It was anticipated that there would not be a team, but sufficient student interest encourage the Academy to have a team and to seek out opponents.

The Academy's first game was against the Boys Training Center of South Portland. After taking a slim 6-0 lead into the locker room at half-time, the Panthers easily controlled the second half. The running of **Joe Vokey, Dave Del Camp, and Joe Faulstich** and effective blocking from Captain **Herb Donaldson and Matt Israelson** propelled the Academy to a 34-0 triumph.

Vokey scored twice in the second game to pace the Academy to a 14-0 victory over the Hyde School "B" team. **"Neck" Morris, Matt, Israelson, Stan Graham and Ted Clark** paced the defensive unit to its second shutout.

North Yarmouth Academy closed the books on football by defeating Kents Hill 18-0. **O'Connor** scored on runs of 12 and three yards and **Del Camp** ran 34 yards in the fourth period. **Rich Willard** chipped in with a key reception in the third period. The Academy's football program finished on top with an undefeated, untied, and unscored upon season.

SOCCER

The 1975 Varsity Soccer Team led by Tri-Captains **Jon Talsey, Chip Norton,** and **Mike Innis** enjoyed a most successful season. Overall the squad compiled an 8-3-2 record. In MAISAD league play the Panthers captured third place with a 4-2-2 mark, two of the losses occured in double-overtime contests.

The team improved greatly as the season progressed; and by seasons end NYA was playing excellent soccer. All 19 men greatly contributed to the team. There were numerous examples of brilliant play. The offense was potent, averaging 5 goals per game. The halfbacks dominated play a good deal of the time. The full back line pronded a stingy defense allowing only 1.2 goals per game. The goal tending was again superb. **Chip Norton** and **Sum Morrill** were selected to the all-league team with **Mike Innis** and **Greg Kellner** receiving honorable mention.

The dominant characteristic of this soccer team was devotion to the game. The players worked hard all season. It was a pleasure for the coaches to work with these men. **Coach Morris** looks forward to a returning nucleus of enthusiastic and skilled soccer players next year.

J.V. SOCCER

N.Y.A.'s 1975 J.V. Soccer team was unusual as a result of two characteristics, its youth and the number of players on the squad. By mid-season, the team roster included thirty-two players, one short of three full teams. Youth? Co-captain and high scorer for the season, **Ted Fava,** was an eighth grader. Between its J.V. schedule and a new-this-year junior high schedule, the team complied a record of fourteen wins, four losses—impressive for a J.V. team at any time and particularly impressive in view of the fact that few of the players had never played together before this fall.

Season Highlights: A few incidents stand out even during this outstanding season. After beating Hyde School easily at home, our return match went right to the wire: 2-2 at the end of regulation play. Co-captain **Fava** scored twice in overtime to give N.Y.A. the win: 4-2. **Tod Smith's** Intercontinental Ballistic Missile goals from midfield. **Lincoln Graves** "overkill" shots, sixty yard bullets taken five feet from the enemy goal. The four man halfback line holding the opposition scoreless in the fall of hurricane conditions. **Wally Soule** twenty minute dribbling shows in the corner. All in all, a great season, and coaches and players alike are looking forward to next September.

JACK·O·LANTERNS?

VARSITY HOCKEY

With the advent of a permanent ice surface, namely NYA Arena, the Varsity Hockey Team, as well as all other school hockey teams have made great improvement in their basic hockey play and basic hockey skills.

The team this year is few in number but high on talent and spirit. This years team, lead by co-captains **Ed Curran** and **Matt Isrealson,** has posted an 8 and 6 record to date. In addition to the 2 co-captains other standouts include **Joe Faulstich** in goal, **Ed Hawkins** at left wing, and **Tim Hardy** at right defence. Other steady and important players include **Chuck Burliss, Sum Morrell, Mike Avery, David Bird, George Boone,** and **Mike Innis,** who has really shown real potential in the latter part of the season.

The hockey philosophy here at North Yarmouth Academy is not a new one, but because of the new areana this philosophy can now be instututed—that philosophy is, to develope steady, skilled hockey players in the lower school to provide a broad base for the upper teams in forthcoming years.

This is only the first year for the new rink and the new program, but with key people like Asst. Varsity Coach, **John Curtiss,** who also coaches the lower hockey teams, there is little doubt that the program will be a success and flourish in the years to come. The future is bright, for the lower teams have already provided key people to the Varsity when injury or sickness has taken its toll, therefore, special thanks go to **Andy Sawyer** and **John Kadelburger** in that regard.

FIELDHOCKEY

North Yarmouth Academy's field hockey team was led this year by Co-Captains **Hilary Mitchell** and **Debbie Cummings.**

In two exciting matches we tied Hyde and Hebron at home.

On the record the team met mixed success in seven other contests.

With all but two women returning next year, the future looks bright.

J.V. Hockey

The N.Y.A. Junior Varsity found itself facing a tough schedule this year because many of the varsitys opponents in years past have found themselves on the short end of a lopsided score. They decided to take on the N.Y.A. J.V.'s and the results were mixed.

Kents Hill Varsity found the J.V.'s to be more than they could handle and the J.V.'s took 2 out of 3 games from Kents Hill. However, Mt. Ararats Varsity and Cony High School Varsity found the N.Y.A.'s J.V.'s more to their liking and beat them three different times during the season.

When the J.V.'s took on legitimate Junior Varsity teams they fared pretty well as evidence by victories over Berwick and Hebron later in the season.

High scorers for the J.V.'s was Co-captains **Kadelbergher** who eventually found his way to the varsity. Others who figured in the scoring were Co-captain **Andy Sawyer, Cliff Ancona & Wally Soule.**

Chip Norton, N.Y.A. 's netminder, had a good season as goalie and was aided by **Harry Richardson, Dave Durrand** and **Peter Robinson** on defense.

L. to R.: Fron Tow: G. Kellner, D. Yelverton, D. NOrris, C. Bragg, A. O'Connor. Second Row: B. Needham, R. Willard, L. Mendizabul, S. Vetter. Third Row: M. Hagen, Coach Sheply.

Varsity BASKETBALL

The 1975-1976 Varsity Basketball team enjoyed a moderately successful season. Although posting an 11-1 record in the Public School League, the schedule did not permit us to make the Public School Tournament. In the Prep School tourney, we were upset in the quarter-finals.

The over all record was 13 wins and 7 losses. Highlights of the season included a 71-70 double overtime victory over Deer Isle-Stonington and two wins over Buckfield. Another highlight was our stay overnight and wins at Vinalhaven and North Haven.

The team was led by Captain **Dan Norris** and **Duane Yelverton.** Other important contributors were **Chris Bragg, Rick Willard,** playmaker **Art O'Connor,** and **Gregg Kellner,** who had the winning basket with five seconds remaining at Deer Isle-Stonington. Other team members contributing were **Bruce Needham, Sven Vetter,** and **Lorenzo Mendizabul.**

Panther Action

J.V. Basketball

This year's J.V. Basketball record was 4 wins and 14 losses. We had however, some very close games and our inexperience told the story only to often. The boy's felt that the season was rewarding if not in the wins and losses, but the development amongst the players of the team Concept and discipline required to win basket ball games. Among the most satisfying moments of the season was the nevensal of the Hebron & New Hampton decisions in our favor. Both **Lincoln Graves & James Carter** showed repeatly that with handwork & practice they will develop into outstanding basketball players.

Co-Captains **Hillary Mitchell** and **Debbie Cummings** led the N.Y.A. girls' basketball team during a busy, satisfying season.

Coach **Midge Vreeland** and assistant coach **Arthur O'Connor** were excited with the progress of the young team.

CROSS COUNTRY

This years cross country team was a new team, and an enthusiastic one.

The team was lead by co-captains **Andy Sawyer** and **Frank Whittier,** two dedicated runners. They lead their team to a 3-6 record, and placed fifth out of nine teams, to upset some of the MAISAD'S experienced cross country teams.

One man does not make a team, and all added to the new team's determined spirit.

Next year will be one of strenght for the N.Y.A. cross country team and I am looking forward to the new season.
